
David L. Ziegler, CFE, CFI, VSM **Ziegler & Associates, Inc.**

David began working in the private sector after a highly successful 28-year career as a Federal Criminal Investigator with the Bureau of Alcohol, Tobacco and Firearms (ATF). With his special knowledge of fire and arson for profit investigations, David spent his last fifteen years with the ATF as a senior supervisor in various positions. In these posts, he was responsible for numerous investigations including insurance fraud, complex conspiracies and weapons trafficking. In addition to these areas of expertise, he has extensive knowledge of major case management and field operations, and was also responsible for developing and implementing the ATF's Investigative Hypnosis program.

David also has considerable knowledge of the use of modern technology in investigative work, and is an expert on computer database research and digital resources for investigators. David specializes in fraud and arson investigations, and is frequently called on not only to utilize his expertise in such cases, but also to train other government agents in these fields. He has made numerous presentations on topics ranging from arson and explosives investigations, to the use of internet and other resources in the investigation of crime, and is regularly called upon as a training resource by local, state and federal agencies. David is also the ATF contractor responsible for the NIBIN (ballistic computer) systems in NJ and Philadelphia.

David serves on the Executive Board of the Philadelphia Chapter of The Association of Certified Fraud Examiners (CFE) and is a full member of the Vidocq Society.
